## Internship Announcement – Summer 2025 Sand Hollow State Park

### Internship Opportunities:

#### **Program Development & Implementation:**

Interns will develop and deliver engaging interpretive programs and educational talks for park visitors, sharing knowledge about the park's natural and cultural resources.

#### **Pop-up Interpreter:**

In this volunteer role, interns will host informal pop-up activities and interact with visitors to provide engagement opportunities and important safety information throughout the park.

#### **Aquatic Invasive Species Decontamination:**

Interns will actively participate in Washington County water conservation efforts by assisting with boat decontaminations using specialized hot water hoses and dip tank to prevent the spread of Aquatic Invasive Species.

#### **Graphic Design and Retail Aid:**

This intern will utilize graphic design skills to create compelling visuals for park merchandise, signage, and promotional materials, while also assisting with day-to-day retail operations and visual merchandising in the park store.

Housing is unavailable, but campsite requests may be accommodated. A uniform shirt and hat will be provided. To apply, please email or call with any questions.
